

HOW TO CHECK A BC VACCINE CARD

Patrons must show proof of vaccination, by order of the Provincial Health Officer. You can use the BC Vaccine Card Verifier or visually confirm a patron's vaccination proof.

1

Download the BC Vaccine Card Verifier app on your mobile device.

2

Scan customer QR code with your mobile device

3

Verify vaccination proof and government-issued photo ID

- September 13:
Vaccinated with dose 1
- October 24 onwards:
Vaccinated with dose 1 and dose 2
